

Home Safety Application for Madison County Residents

We are excited to announce that we recently received a small grant to help Madison County seniors living at home! We will be using this grant to help Madison County senior residents make small modifications to their homes to keep them safe and help them to age in place.

A few modifications could make your home easier and safer to live in as you live independently. Common needs for those aging in place may include, but not limited to installing grab bars, shower bars, improved lighting, etc.

Please fill out the application below and return it to Linda Harshman. Applications may be returned by US Mail, email or dropped off in person. If you have questions or would like more information, please contact Linda Harshman by calling 765-298-6444.

Contact Information

Name _____

Address _____

City, State, Zip _____
